Spares for three Channel Data Reduction Equipment

1. Attached is a memorandum from [REDACTED] which includes a proposal from the Ramo-Wooldridge Corporation for "Fly-away" spare part kits for the three track data reduction equipment.

25X1A

2. The total amount of this proposal is \$19,644. \$29,380 has already been funded for spare parts for the data reduction equipment leaving a balance of \$12,160. The contracting officer has proposed that the remaining funds be obligated to cover the cost of the depot spares. We recommend this action.

3. Request you notify the contracting officer of the action desired.
